4.2. School wishlists

Recorders, fans, and JR stage.

JR Daycare would like to collaborate with Home and School to raise some funds for the pick-up app. This could be re-visited in the next school year. It was suggested that perhaps some pizza lunch money could be allocated towards the app. However, it was also brought forward that it will be only the JR school using the app, and further, it will be only the parents who have children in daycare. Thus, it is a fraction of the student population using it. Fundraising for this may not be feasible.

**5. Event Reports**

5.1. Community Walk Went really well, an approximate total of \$6056 was fundraised. Funds are to be distributed to local charities.
